

OSEK/VDX-STANDARD

Free License for the use of the OSEK/VDX-Standard

The undersigned companies are OSEK/VDX Partners or Associated Partners of the OSEK/VDX Consortium. To further the use of the OSEK/VDX Standard the OSEK/VDX Partners and Associated Partners offer - subject to the return of the countersigned confirmation letter enclosed as in **Annex 1** to this declaration by the respective third party (hereinafter referred to as "Licensed User")- on copyrights, on patents and other industrial property rights owned by one or more of the OSEK/VDX Partners and Associated Partners a non-exclusive royalty-free license to the Licensed User, its holding companies, subsidiaries and other subsidiaries of its holding companies ("Affiliated Companies") to use the specification defined by the OSEK/VDX Standard as detailed in **Annex 2** to this declaration for the implementation of the OSEK/VDX Standard or parts of it in products. If necessary for the implementation of the OSEK/VDX Standard the OSEK/VDX Partners and Associated Partners will cause their Affiliated Companies to grant a similar license to the Licensed User.

For the avoidance of doubt: Not included are technologies, industrial property rights, copyrights or components, which are not specified in Annex 2 but which may be used in connection with OSEK/VDX implementation in products.

This license is granted subject to the Licensed User and its Affiliated Companies granting to the OSEK/VDX Partners including their Affiliated Companies and to the Associated Partners including their Affiliated Companies and to other Licensed Users of the OSEK/VDX Standard and their Affiliated Companies a non-exclusive, royalty-free license on copyrights, on patents and other industrial property rights to use the specification defined by the OSEK/VDX Standard as detailed in **Annex 2** to this declaration for the implementation of the OSEK/VDX Standard or parts of it in products. The Licensed User shall cause its Affiliated Companies to grant a similar license if necessary for the implementation of the OSEK/VDX-Standard.

The OSEK/VDX Standard comprises:

1. the OSEK/VDX network management,
2. the OSEK/VDX communication system,
3. the OSEK/VDX certification and
4. the OSEK/VDX operating system.

The termination of this Agreement by a OSEK/VDX Partner, Associated Partner or Licensed User shall have no impact upon this Agreement with respect to the not terminating OSEK/VDX Partners, Associated Partners or Licensed Users. The licenses granted to the terminating OSEK/VDX Partner, Associated Partner or Licensed User shall expire at the date of termination, but the licenses granted by the terminating OSEK/VDX Partner,

Associated Partner or Licensed User until the date of termination shall remain valid unlimited in time.

The terminating OSEK/VDX Partner, Associated Partner or Licensed User shall lose the right to take a free license on the OSEK/VDX Standard for five years from the date of termination.

All licensees and users acknowledge that the OSEK/VDX-Standard is provided "AS IS" WITH NO WARRANTIES WHATSOEVER, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR ANY PARTICULAR PURPOSE, OR ANY WARRANTY OTHERWISE ARISING OUT OF ANY PROPOSAL, SPECIFICATION, OR SAMPLE.
