ISO Standardization

Some parts of OSEK are standardised by ISO. The official ISO number is ISO 17356.

ISO 17356 consists of the following parts:

-OSEK Glossary (located in OSEK Binding 1.4.1, part of ISO 17356-1, which consists of a ISO-style introduction and the glossary)

-OSEK Binding Specification (base: OSEK Binding 1.4.1, ISO 17356-2 with exception of the glossary)

-OSEK OS (base: OSEK OS 2.2.1, ISO 17356-3)

-OSEK COM (base: OSEK COM 3.0.2, ISO 17356-4)

-OSEK NM (base: OSEK NM 2.5.2, 17356-5)

-OSEK OIL (base: OIL 2.4.1, ISO 17356-6)

All ISO 17356 parts are officially published by ISO.
